

Assignment of Seats to Children who are under 14 years of age

PAL shall ensure that every reasonable effort is made to seat children under the age of 14 near their accompanying adult, as follows:

Age	Location In Relation to Parent/Guardian's Seat
4 years of age or younger	Adjacent
5 to 11 years of age	Same row and is separated by not more than one seat
12 or 13 years of age	No more than one row

PAL asks its passengers to submit a seating request upon booking or at least 48 hours prior to their flight. If our passenger fails to make a reservation or the requested seating is not available at the time the request was made, PAL shall endeavor to request volunteers to change seats.

There is no additional cost for this service. However, note that a fee may apply when choosing your seats in advance. Please note that this does not apply to families who have opted to pay the advance seat selection fee.
